

DEPTFORD TOWNSHIP NEWS & CALENDAR

Gloucester County, New Jersey 08096

Year 2024

Deptford Township Council and all of our municipal staff have produced this calendar to keep you connected with the most current information. Our mission is to provide you with:

- A handy reference for our events, programs and meetings.
- Information about the municipal services we provide.
- An overview of what your local government does on a daily basis.

Thank you for being great citizens, neighbors and friends! We look forward to seeing you soon at our many great community events.

This calendar is brought to you by all of us at Deptford Township in order to keep you updated on your local government. Information about our government, programs, events and services are all included in this calendar, as well as in our bi-annual Newsletters. Our municipal services are constantly improving. Our event schedules are packed with something for all ages. We have the best in events and programs in the region due to our terrific Recreation Department. We are busy with great new businesses and grand openings coming to Deptford Township. Municipal finances are always being examined, and watching tax dollars is Council's main function.

We will continue to upgrade parks, purchase open space, improve infrastructure and increase public safety initiatives. Township Council, the Administration and every Department in Deptford are committed to provide the best in public service to every resident and business. We will continue to work with our School District and Fire District to provide the best in education and public safety.

Working together with you, we will continue our progress. Deptford is a great community and our potential is unlimited. Wishing you all the best and we will see you soon!

RECYCLING INFORMATION

Deptford Township has a robust recycling program. We'd like to use this space to address some frequently asked questions from our residents, to clear up any misconceptions and ensure we're getting the maximum benefit from recycling.

Deptford uses single stream recycling, meaning containers (bottles, cans, etc.) are commingled with paper (newspaper, cardboard, etc.). However—not ALL paper, plastic and metal is eligible to be recycled. Any non-recyclable material will contaminate a batch and cause a number of problems, so remember: "When in doubt, throw it out!"

MATERIAL THAT MUST BE RECYCLED

Corrugated Cardboard

Large cardboard boxes must be cut down or flattened in order to be placed in tote.

Newspaper

Newsprint (including the advertisements found in newspapers)

Mixed Paper

Mail, magazines, office and colored paper; regular and window envelopes; receipts; glossy inserts; telephone books; chipboard and paperback books; greeting cards; brown craft paper bags; and non-metallic wrapping paper

Glass Bottles & Jars

Clear, green and brown bottles and jars. Rinse out bottles and jars and place in tote.

Aluminum, Steel & Tin Cans

Beverage and food cans. Rinse cans and place in tote.

Plastic Containers Only

Beverage and laundry containers with #1 PET and #2 HDPE symbols (located on the bottom or side of the container). Rinse out containers.

Mixed Paper/Cardboard/Chipboard etc.

All Cardboard and Chipboard MUST BE RECYCLED. Large Cardboard boxes need to be broken down so that they can be collected.

Here are some examples of accepted materials: Newspaper, junk mail, office type paper, corrugated cardboard, cereal boxes, etc.

MATERIAL THAT CANNOT BE RECYCLED

Items that will NOT be recycled under this program include toys, plastic bags, bubble wrap, ovenware, ceramic and polystyrene cups and plates, styrofoam, pots and pans, baking pans, drinking glasses, mirrors, automobile windshields, light bulbs, window glass, wax coated boxes, pizza boxes, 6-pack beverage holders, flower pots, plastic bags, comforters, pillows, rugs and all other miscellaneous plastics. All these items must be placed in household trash.

Recycling Toters Regulations:

- Place the Toter at curbside no earlier than 6pm the night before your scheduled pick up and no later than 6AM on the day of your scheduled pickup.
- The Toters must be placed no further than 3 feet from the edge of the street with the wheels facing your house and the front of the Toter facing the street.
- Toters must not be placed behind cars, mailboxes, telephone poles or any obstruction that will make it difficult for the operator to pick it up.
- These Toters are meant for recycling services only.
- Recycling should include: Cans/ Bottles/ Plastics/ Cardboard/ Paper products.
- Cut up large pieces of cardboard so they will fit inside the container easily.
- Do not jam large pieces of cardboard inside the Tote, this could stop the Tote from emptying when dumped into the truck.
- Do not place inside the Toter: Trash, Grass, Wood, Dirt, Paint cans, Hazardous chemicals Styrofoam, vinyl or any other materials that are not part of the Deptford Township's Recycling Program.
- All recycling must be placed inside the Toter for collection. If you have excessive amounts of cardboard you must flatten, bundle and place at the curb for Monday pickup. Residents need to call the Public Works Department to have a work order placed for pickup. If you have any questions please call 856-228-4719 between 7:00am – 3:30pm.

Every January, we celebrate the first manned flight in the Americas, which occurred on January 9, 1793 when Jean-Pierre Blanchard piloted a hot air balloon from 6th & Walnut Streets in Philadelphia to Deptford, landing near Big Timber Creek. We commemorate this historic event with our “Come Fly with Us” awards ceremony, where Deptford students receive recognition for their drawings and essays describing their understanding of this event and its significance.

Deptford Township needs your help to efficiently remove snow and ice from our roadways. When snowy/icy conditions are expected, we need all vehicles and trailers off the streets to allow us to plow curb-to-curb. Please observe the following points to help us keep our 500+ roads safe:

- Main roadways (those carrying the most traffic) are given first priority for salting and plowing. During a heavy snowfall, concentration is placed on the main roads until they are cleared, at which time secondary roads are attended to. Cul-de-sacs (circles or courts) are the last to be serviced.
- Cul-de-sacs are difficult and time-consuming to plow. Public Works prefers to push the snow off the road, leaving cul-de-sacs free of snow piles which could melt and cause icy spots. This greatly reduces hazardous conditions and prevents potholes from forming.
- The snow that is in front of a plow will unload whenever it passes a clear area. Providing a clear area on the side of the driveway where the plow will be traveling will allow the snow to unload in the clearing before your driveway instead of in your driveway.
- Cars parked on the street become a major problem during inclement winter weather. As the plow goes around a parked vehicle, it leaves a pile of snow on the roadway. To avoid this, please remove vehicles from the street during snowstorms, in accordance with Township Ordinance.
- Public Works trucks plow as close to the curb-line as possible. This creates a wider roadway for traveling and parking. During heavier snowfalls, there are times when snow may get pushed into already cleared driveways and sidewalks. Please do not throw snow into the street from your sidewalk and driveway.
- Please avoid driving when it is not absolutely necessary during snow plowing operations. Snow plowing, a routine function, becomes much more difficult with parked, stalled, or stuck cars in the street.

HOUSEHOLD EMERGENCY KIT

Household Emergency Kit Checklist

Water: one gallon per person, per day

Food: non-perishable, easy-to-prepare items

Flashlight and extra batteries

First-aid kit and medications (7-day supply)

Copies of personal documents

Do you and your loved ones have an Emergency Action Plan? An EAP helps in emergencies by providing a set of actionable steps to keep safe. One of the most important aspects of an EAP is having a Household Emergency Kit. Be ready for anything with essentials like water, canned food, flashlights, a first aid kit, batteries, and important documents.

Prepare, stay informed, and be ready for any weather-related challenges. Don't wait for electricity to go out or a storm to come. Start building your kit today.

Some important emergency contact information to have includes:

- PSE&G: pseg.com – 1-800-436-7734
- Atlantic City Electric: atlanticcityelectric.com – 1-800-642-3780
- South Jersey Gas: southjerseygas.com – 1-856-881-7000

FIRE PREVENTION authorities recommend testing and replacing batteries in smoke and carbon monoxide detectors twice annually. The start and end of daylight saving time are good reminders to take this important safety precaution. As we prepare to “spring forward” on March 10th, be sure that these essential safety devices are in good working order!

Township Council has ensured the installation of flag poles at every Municipal property, each flying the colors year round. We proudly honor our great country, our freedoms, and those who sacrificed their lives in defense of these rights. We invite you to show your patriotism and join us in displaying the flag every day. We thank all our veterans and current service members for their service and sacrifices. We are especially proud of, and grateful for, our own hometown heroes for answering this call.

Remember that only the President of the United States or State Governor can order the flag to be lowered to half staff. For flags which are no longer in suitable condition to be flown, do not disrespect this symbol of our nation by throwing it in the trash—there is an American Flag disposal bin in the main lobby of the Deptford Municipal Building (1011 Cooper Street). When this box is full, an organization such as the American Legion, Veterans of Foreign Wars, Girl Scouts or Boy Scouts will collect the flags and retire them properly and respectfully.

For more information on the American Flag and how to display it correctly, please visit www.USA.gov/flag

2024 Food Truck & Craft Fair

One of our biggest events of the summer takes place at Deptford Memorial Park (upper level) on August 24—our 2024 Food Truck & Craft Fair! Enjoy live music and craft vendors as you choose from lots of delicious options—past years have featured burgers, tacos, hot dogs, pizza, cheesesteaks, burritos, seafood, BBQ, water ice, funnel cakes, and more.

National Night Out

is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make our neighborhoods safer, more caring places to live. On the first Tuesday in August, join Deptford Township Police and other area emergency personnel for food, fun, safety demonstrations, and more. This is one of your best opportunities to meet and greet our officers and thank them for keeping Deptford safe all year long.

BACK TO SCHOOL

As Deptford Township (September 5) and other area schools resume this month, please be alert and mindful of school buses and student pedestrians as you drive. Plan ahead to give yourself plenty of time to get where you're going, and always yield to children and to the vehicles transporting them. Always remember: when a school bus's lights go on, and/or the stop sign comes out, all vehicles traveling in either direction are required to come to a complete stop. It's the law, and it's the safe thing to do for our children!

Deptford's 2024 Town-Wide Yard Sale

is scheduled for September 28. This is a wonderful opportunity to clear out some of your gently used items, or to find some new treasures to take home. If your household would like to participate, keep an eye on our website and social media for our registration form this summer. All households that register for this event will have their address listed on a notice that goes out to residents. Happy shopping!

Deptford Township's Fall Festival is one of the biggest events on our calendar! Enjoy a fun-filled day at Andaloro Farm, including live music and DJ, hayrides, pumpkin picking and decorating, craft vendors, balloon artists, food trucks, beer garden, lots of fun and games, and more!

Deptford Township will offer a Trunk-or-Treat event at our Rec Center on October 24. Community businesses and organizations will hand out candy from decorated vehicles. Residents must pre-register to attend—keep an eye on our website and social media as we approach the date.

Residents seeking the classic Halloween experience are welcome to take part in traditional Trick-or-Treating on October 31 from 3-8pm. We ask residents to indicate whether their household is giving out candy by turning their exterior lights on (yes) or off (no).

Christmas Tree Lighting

As 2024 comes to a close, we all look forward to the holiday season. Join us for our annual Christmas Tree Lighting at the Deptford Rec Center on December 6, where you can enjoy carols from our Deptford Spartan Choir, a visit from Santa Claus, and of course, the official lighting of the tree. We hope to see you at all our holiday events as we close out the year in style!
