In Abrakadoodle kids EXPLORE, CREATE and learn in action-packed programming filled with color, texture, shape and fun!

Get your paintbrush ready and join Abrakadoodle for an artist adventure this spring as we create art that is sure to reach new heights! Doodlers will take a cultural journey around the world as they learn the different histories behind kite design, design sky high cityscape paintings and learn all about the colorful art movement Fauvism. This spring Abrakadoodle artists will use materials such as Model Magic®, Tempera Paint, Chalk Pastels and more. Most creations go home ready for display in a brightly colored Framedoodle® or our "green" eco-frames.

Learn how Abrakadoodle won the 2009 Parents Pick Award for "Best Art Program," sponsored By Nickelodeon's Go City Kids!
