**PART I**  
**REPORT OF AUDIT OF FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2010**

## INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and  
Members of the Township Council  
Township of Deptford  
Deptford, New Jersey 08096

We have audited the accompanying statements of assets, liabilities, reserves and fund balance-- regulatory basis of the various funds of the Township of Deptford, in the County of Gloucester, State of New Jersey as of December 31, 2010 and 2009, and the related statements of operations and changes in fund balance-- regulatory basis for the years then ended, and the related statement of revenues-- regulatory basis, statement of expenditures-- regulatory basis, and statement of general fixed assets group of accounts for the year ended December 31, 2010. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the financial statements previously referred to have been prepared in conformity with accounting practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which differ from accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

In our opinion, because of the effects on the financial statements of the requirement that the Township prepare its financial statements in accordance with the accounting practices discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township of Deptford, in the County of Gloucester, State of New Jersey, as of December 31, 2010 and 2009, or the results of its operations and changes in fund balance for the years then ended.

Furthermore, in our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, reserves and fund balance-- regulatory basis of the various funds of the Township of Deptford, in the County of Gloucester, State of New Jersey, as of December 31, 2010 and 2009, and the results of its operations and changes in fund balance-- regulatory basis of such funds for the years then ended, and the revenues-- regulatory basis, expenditures-- regulatory basis of the various funds, and general fixed assets, for the year ended December 31, 2010 in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

In accordance with Government Auditing Standards, we have also issued our report dated July 19, 2011 on our consideration of the Township of Deptford, in the County of Gloucester, State of New Jersey's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in conjunction with this report in assessing the results of our audit.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Township of Deptford's basic financial statements. The accompanying schedule of expenditures of state financial assistance is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations and State of New Jersey Circular 04-04-OMB, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid, and is not a required part of the financial statements. In addition, the supplementary financial statements presented for the various funds are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements of each of the respective individual funds and account group taken as a whole.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Honorable Mayor and  
Members of the Township Council  
Township of Deptford  
Deptford, New Jersey 08096

We have audited the financial statements (regulatory basis) of the Township of Deptford, in the County of Gloucester, State of New Jersey, as of and for the year ended December 31, 2010, and have issued our report thereon dated July 19, 2011, which indicated that the financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America but were prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Township of Deptford's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control over financial reporting.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Township's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Township of Deptford's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards, and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

This report is intended solely for the information and use of the management of the Township, the Division of Local Government Services, Department of Community Affairs, and federal and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Description of Financial Reporting Entity** - The Township of Deptford was incorporated in January, 1695 and is located in southwest New Jersey approximately ten miles southeast of the City of Philadelphia. The population according to the 2000 census is 26,763 and estimated to be 30,722 for 2009.

The Township has a Council-Manager form of government under the Optional Municipal Charter Law of 1960, popularly known as the Faulkner Act. The Mayor is elected annually by a seven member Township Council. Executive and administrative responsibility rests with the Township Manager, who is appointed by the Mayor and Council. The members of the Township Council are elected for staggered four-year terms in elections held every two years.

**Component Units** - The financial statements of the component units of the Township of Deptford are not presented in accordance with Governmental Accounting Standards Board Statement No. 14. If the provisions of GASBS No. 14 had been complied with, the financial statements of the following component units would have been either blended or discretely presented with the financial statements of the Township, the primary government:

Deptford Municipal Utilities Authority  
 898 Cattell Road  
 Post Office Box 5506  
 Deptford, New Jersey 08096

Deptford Free Public Library  
 670 Ward Drive  
 Deptford, New Jersey 08096

Annual financial reports may be inspected directly at the offices of these component units during regular business hours.

**Basis of Accounting, Measurement Focus and Basis of Presentation** - The financial statements of the Township of Deptford contain all funds and account groups in accordance with the "Requirements of Audit" as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the Requirements of Audit are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these "Requirements". In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this Note.

In accordance with the "Requirements", the Township of Deptford accounts for its financial transactions through the use of separate funds which are described as follows:

**Current Fund** - The Current Fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State grant funds.

**Trust Funds** - The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

---

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**General Capital Fund** - The General Capital Fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

**Public Assistance Fund** - The Public Assistance Fund accounts for receipt and disbursement of funds that provide assistance to certain residents of the Township pursuant to Title 44 of New Jersey statutes. The governing body resolved to transfer all public assistance activities to the County of Gloucester effective January 1, 1998.

**Budgets and Budgetary Accounting** - The Township of Deptford must adopt an annual budget for its current fund in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the governing body to introduce and approve the annual municipal budget no later than February 10 of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date the budget was introduced. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the Township's financial statements.

**Cash, Cash Equivalents and Investments** - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost. Consequently, unrealized gain or loss on investments has not been recorded in accordance with Governmental Accounting Standards Board Statement No. 31.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of Governmental Units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the Governmental Units.

The cash management plan adopted by the Township of Deptford requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Interfunds** - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

**Inventories of Supplies** - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

**General Fixed Assets** - Accounting for Governmental Fixed Assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and Budget Circular A-87 (Attachment B, Section 19), except that the useful life of such property is at least five years. The Township has adopted a capitalization threshold of \$5,000, the maximum amount allowed by the Circular. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at their estimated fair market value on the acquisition date. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation. The Township is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements and transfers of fixed assets. In addition, a Statement of General Fixed Assets, reflecting the activity for the year, must be included in the Township's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that includes accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage or theft.

**Foreclosed Property** - Foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments and to return the property to a taxpaying basis. For this reason the value of foreclosed property has not been included in the General Fixed Assets Account Group. If such property is converted to a municipal use, it will be recorded in the General Fixed Assets Account Group.

**Deferred Charges** - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

**Liens Sold for Other Governmental Units** - Liens sold on behalf of other governmental units are not recorded on the records of the tax collector until such liens are collected. Upon their collection, such liens are recorded as a liability due to the governmental unit net of the costs of the initial sale. The related costs of sale are recognized as revenue when received.

---

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Fund Balance** - Fund Balance included in the current fund represent amounts available for anticipation as revenue in future year's budgets, with certain restrictions.

**Revenues** - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from Federal and State grants are realized when anticipated as such in the Township's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the Township's Current Fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due the Township which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

**Property Tax Revenues** - Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1. The amount of tax levied includes not only the amount required in support of the Township's annual budget, but also the amounts required in support of the budgets of the County of Gloucester, Township of Deptford School District, and the Township of Deptford Fire District No. 1. Unpaid property taxes are subject to tax sale in accordance with the statutes.

**School Taxes** - The municipality is responsible for levying, collecting and remitting school taxes for the Township of Deptford School District. Operations is charged for the full amount required to be raised from taxation to operate the local school district for the period from July 1, 2010 to June 30, 2011, increased by the amount deferred at December 31, 2009 and decreased by the amount deferred at December 31, 2010.

**County Taxes** - The municipality is responsible for levying, collecting and remitting county taxes for the County of Gloucester. Operations is charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations is charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10 of the current year and due to be paid to the County by February 15 of the following year.

**Fire District Taxes** - The municipality is responsible for levying, collecting, and remitting Fire District Taxes for Township of Deptford Fire District No. 1. Operations are charged for the full amount required to be raised by taxation to support the districts for the year.

**Reserve for Uncollected Taxes** - The inclusion of the "Reserve for Uncollected Taxes" appropriation in the Township's annual budget protects the Township from taxes not paid currently. The Reserve, the minimum amount of which is determined on the percentage of collections experienced in the immediate preceding year, with certain exceptions, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations.

**Expenditures** - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Appropriations for principal payments on outstanding general capital bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis.

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Appropriation Reserves** - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Lapsed appropriation reserves are recorded as income.

**Long-Term Debt** - Long-Term Debt, relative to the acquisition of capital assets, is recorded as a liability in the General Capital Fund. Where an improvement is a "local improvement", i.e. assessable upon completion, long-term debt associated with that portion of the cost of the improvement to be funded by assessments is transferred to the Trust Fund upon the confirmation of the assessments or when the improvement is fully and permanently funded.

**Compensated Absences and Postemployment Benefits** - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

Note 2: **CASH AND CASH EQUIVALENTS**

Custodial credit risk is the risk that, in the event of a bank failure, the Township's deposits might not be recovered. Although the Township does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings or funds that may pass to the municipality relative to the happening of a future condition. Such funds are shown as Uninsured and Uncollateralized in the schedule below.

As of December 31, 2010, the Township's bank balances of \$10,785,544.38 were exposed to custodial credit risk as follows:

Uninsured and Uncollateralized	<u>\$ 1,365,844.60</u>
--------------------------------	------------------------

**New Jersey Cash Management Fund** - During the year, the Township participated in the New Jersey Cash Management Fund. The Fund is governed by regulations of the State Investment Council, who prescribe standards designed to insure the quality of investments in order to minimize risk to the Funds participants. Deposits with the New Jersey Cash Management Fund are not subject to custodial credit risk as defined above. At December 31, 2010 the Township's deposits with the New Jersey Cash Management Fund are \$469,583.27.

Note 7: PENSION PLANS

The Township of Deptford contributes to two cost-sharing multiple-employer defined benefit pension plans, the Public Employees' Retirement System (PERS) and the Police and Firemen's Retirement System (PFRS), which are administered by the New Jersey Division of Pensions and Benefits. In addition, several Township employees participate in the Defined Contribution Retirement Program (DCRP), which is a defined contribution pension plan and is also administered by the New Jersey Division of Pensions and Benefits. Each plan has a Board of Trustees that is primarily responsible for its administration. The Division issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

State of New Jersey  
Division of Pensions and Benefits  
P.O. Box 295  
Trenton, New Jersey 08625-0295

**Public Employees' Retirement System** - The PERS was established in 1955. The PERS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:15A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 62, P.L. 1994, plan members enrolled in the Public Employees' Retirement System were required to contribute 5% of their annual covered salary. Effective July 1, 2008, however, in accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. For employees enrolled in the retirement system prior to July 1, 2008, the increase is effective with the payroll period that begins immediately after July 1, 2008. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, the statute also requires the return to the normal rate when such surplus pension assets no longer exist.

The Township is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

**Police and Firemen's Retirement System** - The PFRS was established in 1944. The PFRS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:16A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 204, P.L. 1989, plan members enrolled in the Police and Firemen's Retirement System are required to contribute 8.5% of their annual covered salary. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, statute also requires the return to the normal rate when such surplus pension assets no longer exist.

The Township is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

<u>Year</u>	<u>Normal Contribution</u>	<u>Accrued Liability</u>	<u>Non-Contributory Group Life</u>	<u>Total Liability</u>	<u>Funded by Township</u>

**Defined Contribution Retirement Program** - The Defined Contribution Retirement Program (DCRP) is a cost-sharing multiple-employer defined contribution pension fund which was established in 2007, under the provisions of Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007 (N.J.S.A. 43:15C-1 et. seq.). The DCRP provides eligible members, and their beneficiaries, with a tax-sheltered, defined contribution retirement benefit, along with life insurance and disability coverage. Vesting and benefit provisions are established by N.J.S.A. 43:15C-1 et. seq.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. In addition to the employee contributions, the Township's contribution amounts for each pay period are transmitted to Prudential Financial not later than the fifth business day after the date on which the employee is paid for that pay period.

**Early Retirement Incentive Program** – Legislation enacted in 1991 and 1993 made early retirement available through Early Retirement Incentive Programs. These programs, which were subject to the approval of the Township's governing body, were available to employees who met certain minimum requirements. The governing body of the Township approved the 1991 program for eligible members of the PERS system. One employee applied for early retirement during this program. Since no accrual has been made for the additional costs related to the program, the Township will fund such costs in an annual budget appropriation on a pay-as-you-go basis. As of December 31, 2010, the accrued liability for the 1991 program to the PERS is estimated to be \$40,238.00, payable in annual installments of \$3,658.00, with the last installments due April 1, 2021.

**Related Party Investments** - The Division of Pensions and Benefits does not invest in securities issued by the Township.

(1) Under the provisions of Chapter 108, P.L. 2003 the Township's share of the total normal contribution and accrued liability will increase approximately 20% per year until the Township is paying 100% of the total normal contribution and accrued liability.

Note 8: **POSTEMPLOYMENT HEALTHCARE BENEFITS PLAN**

**Plan Description** - The Township contributes to the State Health Benefits Program (SHBP), a cost-sharing, multiple-employer defined benefit post-employment healthcare plan administered by the State of New Jersey Division of Pensions and Benefits. SHBP was established in 1961 under N.J.S.A. 52:14-17.25 et seq., to provide health benefits to State employees, retirees, and their dependents. Rules governing the operation and administration of the program are found in Title 17, Chapter 9 of the New Jersey Administrative Code. SHBP provides medical, prescription drugs, mental health/substance abuse, and Medicare Part B reimbursement to retirees and their covered dependents.

The SHBP was extended to employees, retirees, and dependents of participating local public employers in 1964. Local employers must adopt a resolution to participate in the SHBP. In 2002, the Township authorized participation in the SHBP's post-retirement benefit program through resolution number 88-02. Ordinance 15-00 and the Township's personnel policies and procedures manual detail the benefits available for employees employed prior to October 2, 2000 and employees employed after that date. The majority of the employees are entitled to postemployment health benefits provided by approved union contracts that indicate employees with at least 25 years of employment with the Township and 25 years of membership to the Public Employees Retirement Fund, and the employee is at least 62 years of age at retirement qualify. The postemployment benefits include medical and prescription coverage for the employee and the spouse, with no surviving spouse coverage.

Note 8: **POSTEMPLOYMENT HEALTHCARE BENEFITS PLAN (CONT'D)**

The State Health Benefits Commission is the executive body established by statute to be responsible for the operation of the SHBP. The State of New Jersey Division of Pensions and Benefits issues a publicly available financial report that includes financial statements and required supplementary information for the SHBP. That report may be obtained by writing to: State of New Jersey Division of Pensions and Benefits, P.O. Box 295, Trenton, NJ 08625-0295 or by visiting their website at [www.state.nj.us/treasury/pensions/](http://www.state.nj.us/treasury/pensions/).

**Funding Policy** - Participating employers are contractually required to contribute based on the amount of premiums attributable to their retirees. Post-retirement medical benefits under the plan have been funded on a pay-as-you-go basis since 1994. Prior to 1994, medical benefits were funded on an actuarial basis.

Contributions to pay for the health premiums of participating retirees in the SHBP are billed to the Township on a monthly basis. The Township funds the costs of retirees post retirement health benefits through a budget appropriation.

The Township contributions to SHBP for the years ended December 31, 2010, 2009, and 2008, were \$659,661.17, \$515,846.20, and \$445,813.40, respectively, which equaled the required contributions for each year. There were approximately 54, 51, and 44 retired participants eligible at December 31, 2010, 2009, and 2008, respectively.

Note 9: **COMPENSATED ABSENCES**

The police employees and EMTs of the Township of Deptford accumulate 15 sick days per year. These days can accumulate and carry forward with no maximum. At separation or retirement, sick days are paid out at 65% of accumulation. Vacation days are accumulated based on number of years employed at the Township and a police employee can carry forward no more than two years of entitlement. EMTs, however, can only carry forward one year of entitlement. At separation or retirement, accumulated vacation time is paid out 100%.

The Township of Deptford has contracted with the AFL/CIO for clerical and administrative, and separately the public works employees. Both contracts allow for the employees to accumulate vacation days based on years of employment. The employees can carry forward one year of entitlement. At separation or retirement, 100% of vacation time is paid. The contracts with the AFL/CIO compensate employees for unused sick leave under the following criteria. Sick leave accrued from the date of hire through December 31, 1985, is frozen and banked and shall be used only for extended illness. At separation or retirement, for clerical and administrative employees, the banked accumulated sick leave will be paid out at 65%. For public works employees, banked time will be paid out at 55%. For sick leave accrued starting January 31, 1986, sick time can accumulate without limit; however, at separation or retirement, a maximum of \$5,000.00 will be paid out to the employees. Those employees with an accrued value of less than \$5,000.00 will be compensated for 100% of the accumulation. The employees accumulate 15 sick days per year.

Non-contracted employees accrue vacation time based on number of years employed by the Township. These vacation days can be carried over with proper approval with no limit. Vacation time is paid out at 100% at retirement or separation. Non-contracted employees are granted 15 sick days per year and can carry over days without limit. At retirement, 65% of the accumulated sick time is paid out to the employees.

Note 9: **COMPENSATED ABSENCES (CONT'D)**

The Township has established a Compensated Absences Trust Fund to set aside funds for future payments of compensated absences. At December 31, 2010 the balance of the fund was \$287,406.69. It is estimated that, at December 31, 2010, accrued benefits for compensated absences are valued at \$2,757,241.31.

Note 10: **DEFERRED COMPENSATION SALARY ACCOUNT**

The Township offers its employees a Deferred Compensation Plan in accordance with Internal Revenue Code Section 457 which has been approved by the Director of the Division of Local Government Services. The Plan, available to all full time employees at their option, permits employees to defer a portion of their salary to future years. The deferred compensation is not available to participants until termination, retirement, death or unforeseeable emergency.

Amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the Township or its creditors. Since the Township does not have a fiduciary relationship with the Plan, the balances and activities of the Plan are not reported in the Township's financial statements.

Note 11: **LEASE OBLIGATIONS**

On July 14, 2010, the Township issued \$5,875,000 in General Obligation Refunding Bonds with interest rates ranging from 1.50% to 4.00%, net interest cost of 2.18%, to advance refund \$1,100,000 of outstanding 1995 Series bonds and \$4,735,000 of outstanding 2002 Series bonds. The net proceeds of \$6,048,804.75 (after payment of issuance costs) were used to purchase U.S. Treasury Bills. These securities were deposited in an irrevocable trust with an escrow agent to provide for all future debt service payments on the refunded 1995 and 2002 Series bonds. As a result, the refunded 1995 and 2002 Series bonds are considered to be defeased and the liability for those bonds has been removed from the general capital fund.

The Township advance refunded the 1995 and 2002 Series bonds to reduce its total debt service payments over the next eight years by \$295,895.97 and to obtain an economic gain (difference between the present values of the debt service payments of the old and new debt) of \$316,143.04.

Note 17: **NEW JERSEY UNEMPLOYMENT COMPENSATION INSURANCE**

The Township has elected to fund its New Jersey Unemployment Compensation Insurance under the "Benefit Reimbursement Method". Under this plan, the Township is required to reimburse the New Jersey Unemployment Trust Fund for benefits paid to its former employees and charged to its account with the State. The Township is billed quarterly for amounts due to the State. The following is a summary of Township contributions, reimbursements to the State for benefits paid and the ending balance of the Township's trust fund for the current and previous two years:

Note 18: **DEBT SERVICE AGREEMENT**

The Township entered into a debt service agreement with the Deptford Municipal Utilities Authority on March 1, 1973. This agreement obligates the Township to advance payment for any debt service deficiency of the Authority. The Authority is obligated, by the agreement, to repay to the Township all advances paid on their behalf, upon the financial ability to do so. At December 31, 2010, the Authority had \$14,630,169.28 in outstanding debt covered by this agreement.

Note 19: **LITIGATION**

The Township is a defendant in several legal proceedings that are in various stages of litigation. It is believed that the outcome, or exposure to the Township, from such litigation is either unknown or potential losses, if any, would not be material to the financial statements.

Note 20: **COMMITMENTS – TAX APPEALS**

As of December 31, 2010, there are seventeen commercial tax assessment appeals filed against the Township, for years ranging from 2008 to 2010. While the outcome of these appeals has yet to be determined, it is expected that the Tax Court will find in favor of the property owner, reducing the property assessment. Once a judgment is entered in favor of the property owner, the Township is required to refund or give credit to future taxes levied for any overpayment created by the judgment. The Township is unable to estimate the timing and amount of these pending judgments and therefore did not provide an appropriation in the 2011 budget for any potential refunds in 2011. The Township anticipates funding any 2011 judgments through the emergency budget appropriation process, then adopting a refunding ordinance prior to year end funding the payments over a three year period. Twenty two commercial tax assessment appeals were filed for the 2011 tax year.

Note 21: **SUBSEQUENT EVENTS**

**TOWNSHIP OF DEPTFORD**  
**PART 2**  
**SINGLE AUDIT**  
**FOR THE YEAR ENDED DECEMBER 31, 2010**

**REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD HAVE A DIRECT  
AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 AND  
STATE OF NEW JERSEY CIRCULAR 04-04-OMB**

The Honorable Mayor and  
Members of the Township Council  
Township of Deptford  
Deptford, New Jersey 08096

**Compliance**

We have audited the compliance of the Township of Deptford, in the County of Gloucester, State of New Jersey, with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement and the New Jersey State Grant Compliance Supplement that could have a direct and material effect on the Township's major state program for the year ended December 31, 2010. The Township's major state program is identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major state program is the responsibility of the Township's management. Our responsibility is to express an opinion on the Township's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey; OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations; and State of New Jersey Circular 04-04-OMB, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid. Those standards, OMB Circular A-133, and State of New Jersey Circular 04-04-OMB, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about the Township of Deptford's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Township's compliance with those requirements.

In our opinion, Township of Deptford complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major state program for the year ended December 31, 2010.

**Internal Control Over Compliance**

The management of the Township of Deptford is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to state programs. In planning and performing our audit, we considered the Township's internal control over compliance with requirements that could have a direct and material effect on a major state program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133 and State of New Jersey Circular 04-04-OMB, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be *material weaknesses*, as defined above.

This report is intended solely for the information and use of management of the Township, the Division of Local Government Services, Department of Community Affairs, and state awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
