- Please remember to keep leaves away from vehicles and not to park on leaf piles so leaf machines will have easy access to the leaves. Leaves must be placed at the curb free of any rocks, branches, twigs, dirt, pet waste, horse manure or other debris in order for them to be vacuumed up easily.
- Please note that our Yard Waste Pickup Program runs all year. Yard waste debris such as grass, flowers, plants, small limbs, and "leaves" are required to be placed in containers or biodegradable paper bags at the curb for pickup.
- Please place loose leaves at the curb for our Leaf Collection Pick-up only.
- No plastic bags, no sticks or other debris

### ZONES:

As noted below, each "Zone" includes several areas & developments, each with varying amounts of leaves. We will be in each zone once. Each zone will be completed before moving to the next zone. **Every effort should be made to have leaves at curbside before the first day of each scheduled visit to ensure timely pickup.
